Welcome to Purbeck Art Weeks Festival 2022!

We are delighted to be back at our usual time at the end of May! We have a wonderful range of **Open Studios** for you to explore, Rollington Barn is bursting at the seams with art made by Purbeck's artists, and we are offering a superb programme of instrumental and vocal concerts for you to enjoy.

At **Rollington Barn**, near Corfe Castle, you can see at least one piece of work from each of our exhibiting artists, so it's a good place to start your art trail. There are delicious refreshments in the **courtyard café**, **lunchtime performances** by local musicians, and **pop-up open studios** demonstrating ways of working with different materials. Celebratory art and puppets made in our **Purbeck Young Artists'** workshops will be on display in the byre – at the other end you will find artist, Sue Lansbury's reflective 'Renewal Tree' installation.

The **Postcard Competition** is back – so don't forget to pick one up and fill it in, with the chance of winning some artwork of your choice!

We are particularly proud of the **events** we are offering this year – which include internationally renowned groups such as Gabrieli – who open the Festival with a flourish – the Monteverdi String Band, Inner City Brass, and the vocal group Tenebrae. Pennie Denton's illustrated talk will celebrate the work of local sculptor Mike Bizley, while some of our young musicians will again show their talent. And, don't miss 'Out of the Deep Blue', an outdoor theatre spectacular with Eko the giant puppet and dancers on Swanage seafront on June 4th.

We hope you enjoy this year's abundance of talent!

Charlotte Heath, Chair, Purbeck Art Weeks Festival

Our winner for the cover of this year's Brochure is Juliet West for her work entitled *Fireworks Over Swanage Bay*. Congratulations, Juliet!

Foreword

FROM THE FESTIVAL PRESIDENT

This year, as we celebrate the Queens Jubilee, we can also take pleasure in a bigger PAW Festival after the constraints of the last two years. We welcome many new artists whose work will delight and inspire us. We also welcome a number of new studios who are opening their doors to our visitors for the first time. These studios allow us to see the artists working in their own environments and give us the opportunity to talk to them about their work, their materials and their inspirations and aspirations. Hugely talented musicians and performing artists will be well represented and will provide an exciting mix of drama and tranquility to audiences in various venues.

This year we see both continuity and change in the PAW Festival. Continuity with the wonderful outpouring of talent from the Festivals' artists, performers and musicians, and change in the retirement of Richard Brown from the board of Trustees. Richard has been such a pivotal influence in the success of PAW over the years and his departure will be keenly felt. I, on behalf of the Trustees, would like to thank him for his unstinting support for all aspects of PAW over the last at least 20 years, from community projects and tireless fundraising for young artists of all kinds in Purbeck, to establishing a highly respected and valued events programme to complement the visual arts.

The 2022 Festival celebrates a return to normality, and I thank all those that have worked so hard to sustain things during very difficult times and have now produced this year's exciting and reinvigorated Festival.

Philip Jackson CVO DL MA FRBS

PAW collective exhibition at ROLLINGTON BARN

Rollington Barn showcases the fantastic range of creative talent in Purbeck. It hosts a collective exhibition representing most of the PAW festival visual artists; their paintings, prints, ceramics, photography, woodcrafts, greetings cards and much more. As a hub for the PAW Festival, Rollington Barn provides a taste of what can be discovered by visiting our Open Studios, many of which provide a unique opportunity to meet PAW artists. Artwork at the barn can be purchased and taken away on the day and we accept cash, cheques and most credit and debit cards.

New for this year, we will be creating the **PAW Pop-up Studio** in Rollington Barn courtyard. Each morning and afternoon, PAW artists will be conducting demonstrations, workshops and talks about their work and medium. Come and learn how to throw a pot, blow glass, create jewellery, or be inspired by specialised painting techniques. These events are free and are timetabled on page 39 of this brochure and our website.

Rollington Barn is also an excellent place to pick up a Festival Brochure and start planning your art trail and deciding which events you wish to go to. By identifying your favourite artists from those exhibiting you can plot your itinerary around the Open Studios. There is always a warm welcome at these venues, and many visitors love the opportunity to meet artists in their own space and discover hitherto undiscovered corners of Purbeck. Any changes to Open Studios or events will be posted on a notice board. In addition, you can enjoy a series of free informal lunch time musical performances – the timings for these will be posted up at Rollington.

In the byre, across the courtyard from the main barn, is one of Rollington's highlights, the PYA show; an eclectic display of artistic creativity and imagination by students (our Purbeck Young Artists) from local schools that will provide inspiration to all.

New this year!

PAW POP-UP STUDIO

AT ROLLINGTON BARN

Have you ever wondered how a painter selects a particular brush, mixes a tone of a particular colour and makes a mark on their canvas? Or how a sculptor approaches a slab of stone armed only with a chisel, some determination and an idea. What about a potter with their wheel: just how do you turn a lump of mud into a mug?

Well, this year at Rollington Barn you have an opportunity to find out! There is to be in the courtyard, perfectly placed adjacent to Love Cake, a Pop-Up studio that will feature a variety of Purbeck artists 'doing their thing'. They may be demonstrating a technique, inviting visitors to have a go, or quietly busying themselves with their work so you can watch.

All then to be revealed. Well, perhaps not quite all... as certain 'trade secrets' may well remain as such!

We hope to see you there.

There may be additional demonstrations so please check our website and the notice board at Rollington Barn.

A BACH CELEBRATION GABRIELI CONSORT & PLAYERS

Saturday 28th May | 6.30pm

EVENT VENUE 

The Priory Church of Lady St Mary,
Wareham, BH20 4ND

Tickets: £25 adults, £2 students

A celebratory opening to the PAW Festival features an 18-piece ensemble of strings, woodwind, brass, timpani, chamber organ and harpsichord as well as international vocal soloists. Gabrieli Director Paul McCreesh will introduce the programme.

Bach's Sinfonia BWV 1045 is followed by his Mass in A major BWV 234 - one of four short masses he composed. After the Interval, Bach's Sinfonia BWV 29 is followed by the celebratory Ascension Oratorio BWV 11. Though called an "oratorio," this is, like the Christmas Oratorio, really a cantata-style piece.

Gabrieli are world-renowned interpreters of great vocal and instrumental repertoire from the renaissance to the present day. Over forty years the ensemble's repertoire has expanded considerably, but Paul McCreesh's ever-questioning spirit and expressive musicianship remain constant features of the ensemble's dynamic performances.

The soloists **Mary Bevan**, soprano, **Tim Mead**, alto, **Thomas Walker**, tenor and **Malachy Frame**, bass all have distinguished international careers with ensembles and opera houses around the world.

This event has been generously sponsored by individuals who prefer to remain anonymous and by Humphries Kirk, solicitors.

MIKE BIZLEY, A PURBECK SCULPTOR AN ILLUSTRATED TALK BY PENNIE DENTON

Tuesday 31st May | 7.30pm

Harmans Cross Village Hall, BH19 3EB

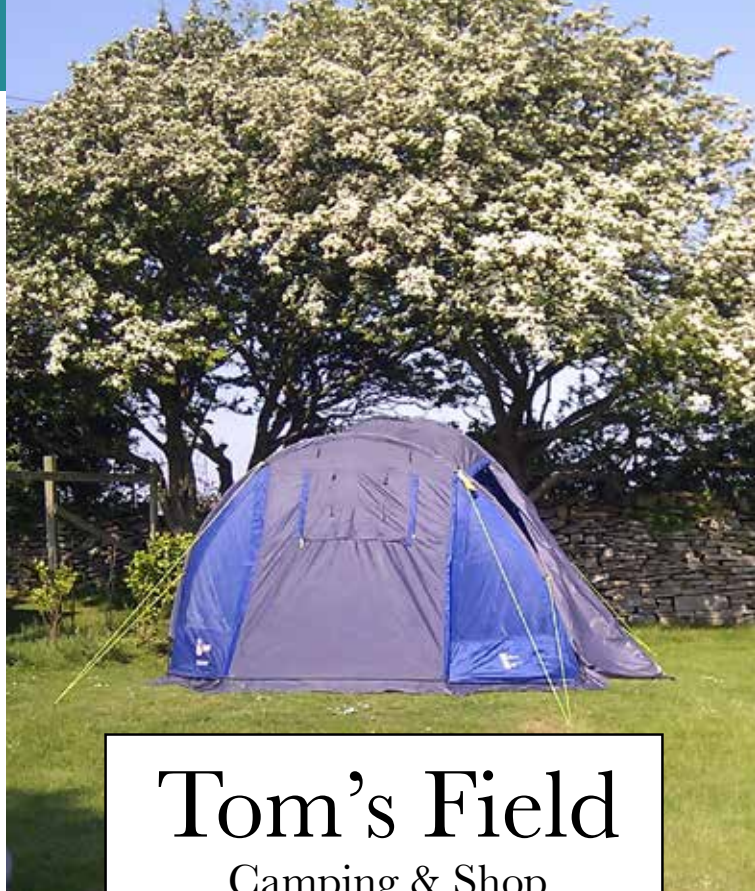

Tickets: £10 adults, £2 students

EVENT VENUE **C**

Purbeck art historian, Pennie Denton, will talk about the life of Mike Bizley, who created many beautiful works of art from Purbeck, Portland and other stone. When he was young he had enjoyed drawing and painting and it was only when he decided to study sculpture at Guildford School of Art that his mother told him that he had ancestors from Italy who were well known sculptors.

Mike moved to Purbeck in 1972 and was fascinated by the different varieties of stone in the area. The quality of light was always of great importance to him and to his work. Days where it 'glistened' in Purbeck, reminding him of Greece and enabling a purity of line and form, linking back to ancient Greek, Cycladic and Egyptian carvings. These were the essences that flowed through his life and work. Pennie will be supported by Sue Kendall, Mike's wife, and there will be a small exhibition of Mike's works to bring their words to life.

OUT OF THE DEEP BLUE AUTIN DANCE THEATRE SPECTACULAR

Saturday 4 June

PROMENADE AND SHOW

Shore Road hard standing, Swanage 11.00 – 12.00

PROMENADE AND SHOW

Prince Albert Gardens Amphitheatre, Swanage 1.30 – 2.30

PROMENADE AND PUPPETS PARADE

Rollington Barn 4.30 – 5.00

Tickets: FREE, donations welcome on the day.

'Out of the Deep Blue' is an outdoor physical theatre spectacular featuring a giant puppet, five puppeteers and a female dancer. Set in the not too distant future it tells the magical story of **Eko**, a sea giant, who rises from the deep ocean and encounters, on the shore, a courageous little girl called **Violet**.

These two beings – an ancient creature, a young girl – offer us their stories: an impactful dialogue around our earth's climate emergency, told through dance, movement and masterful puppeteering. Ideal for children and families, but a story about the power of understanding that speaks to the world at large, that all will enjoy.

In the lead up to these performances, the Autin Dance Theatre have been doing creative puppetry and dance workshops with young people in a number of local schools. The puppets have been created out of recycled household waste. You can see what they've produced at Rollington Barn and in the Mowlem Theatre. PAW is delighted to be working with the Mowlem Theatre on this event, and would like to thank Swanage Town Council and the Dorset Council Culture and Community Fund for their support.

THE MADRIGAL REIMAGINED THE MONTEVERDI STRING BAND WITH HANNAH ELY

Saturday 4th June | 6.30pm,
St James' Church, Kingston, BH20 5LL
Tickets: £25 adults, £2 students

EVENT VENUE **D**

The madrigal was first described as a short poetic form ideally suited to the depiction of gentle scenes of love and 'a little something *frizzante*'... sparkling (or perhaps stinging). Musicians quickly honed their compositional craft in settings that sparked a creative spirit and a transformation of musical style.

Today's programme explores some of these reinventions and transformations with textures from solo voice or violin with lute, strings alone to the full ensemble via a series of five themed tableaux. The composers featured include Monteverdi, Palestrina and Caccini and are interspersed with appropriate readings from 16th century Italy.

The **Monteverdi String Band** is dedicated to celebrating the sound and style of the early violin consort. Their instruments and bows are modelled on originals from the early decades of the seventeenth century, giving the ensemble a rich, grounded and blended tone.

Hannah Ely is well known to local audiences and is from Purbeck. She sings with a range of international ensembles and is the founder and manager of the Fieri Consort.

This event has been generously sponsored by Continuo Foundation and an individual who prefers to remain anonymous.

BACH, VICTORIA AND MACMILLAN TENEBRAE

Saturday 11th June | 6.30pm

EVENT VENUE **A**

The Priory Church of Lady St Mary,
Wareham, BH20 4ND

Tickets: £25 adults, £2 students

This evening's concert features choral works by Bach, Victoria and MacMillan. Selections from the Tenebrae responses by the 16-17th century Spanish resident Tomás Luis de Victoria are compared with modern settings by Kenneth MacMillan. Two other motets by Victoria also feature in the programme.

Bach's motets are pillars of the choral repertoire, and perhaps the best-known of the six are *Komm Jesu, Komm* which is followed by *Jesu, meine freude* and then by Bach's celebratory *Singet dem Herrn* which is composed in the form of a concerto and makes a fitting finale to this evening's concert of contrasting music.

The internationally acclaimed choral group **Tenebrae** is renowned for its interpretations of choral music ranging from the Renaissance through to contemporary choral masterpieces. The group has appeared at major festivals and venues. Under the direction of Nigel Short, Tenebrae has twice secured the award for Best Choral Performance in the BBC Music Magazine Awards (2012 and 2016).

PAW
YOUNG
ARTISTS

Encouraging and celebrating art created locally by young people is at the very heart of PAW. In a normal year we try and involve around **500 Purbeck Young Artists (PYA)** in schools across the area in creative activities. Students are encouraged to develop art works on the festival theme, which this year is 'Celebration'. The workshops have been coordinated by **Sebastian McEwen** and are implemented by a talented team of artists, each of whom have experience of working with young people. The range of workshops span metalwork, photography, rust printing, sculpture, dance and puppetry. You can see the inspiring results in the byre at **Rollington Barn**.

We would like to express our gratitude to The Friends of the Festival and to all our Sponsors for supporting our work with young people. We would also like to thank the schools and teachers involved this year for recognising the importance of art and creativity for young people going forward.

The PYA exhibition opening ceremony will be on Saturday June 4th at 4.30 – 5.00 pm, we hope you will come and join Eko the giant puppet, and the dancers, for a puppets' promenade and the workshop awards.
